

BALTICA Volume 23 Number 2 December 2010 : 167-170

**Contribution of „BALTICA” to the studies of geology, geomorphology
and palaeogeography of the Baltic Sea**

BALTICA : International Journal on Geosciences / Lithuanian Academy of Sciences, Institute of Geology and Geography ; editor Algimantas Grigelis. – Vilnius : Institute of Geology and Geography. – Vol. 17–23, No. 1 (2004–2010). – Vol. 23, No. 2 (2010) / Nature Research Centre. – ISSN 0067-3064.

Volume 17, No. 1, 2004. – 49 p. : figs. – Circ. 350 copies.

- Grigelis, A. International yearbook *BALTICA* – 40 years passed. – 3–4.
